Magic

Close Up:

Intimate performances for small and large groups that offer every guest a personal and magical interaction. Perfect for diplomatic or corporate functions, close up and strolling magic demonstrate the art of sleight of hand, the impossibility of mind reading, and the mystery of magic. Each show is personalized.

Trade Show:

Uses the magic of metaphor to attract and engage large crowds. The show synergizes our work in marketing and magic to deliver customized themes and messages that help build your brand and sell your product.

Stage:

A customized and mind-boggling stage or after-dinner show that is "unforgettable" in the words of a recent corporate executive. Minds will be read, stories brought to life, and mysteries displayed. From magic's classics to grand illusion, from storytelling to mind reading—the show reminds audiences around the world that imagination can make magicians of us all.
